

Arawang Primary School P&C Association

2018 Back to School Stationery Packs

Arawang P&C is offering parents the opportunity to purchase their child's stationery through our *Back to School Stationery* initiative. We provide stationery packs for all year levels. Each pack contains books, specialist writing materials and stationery requested by the school and all materials are developmentally appropriate for their academic year. If you choose not to buy our pack, note that children in Kindergarten are required to have all of the listed items.

Back to School Stationery packs are purchased online through your Flexischools account and will be delivered to your child's classroom on Day 1 of the 2018 school year. If you do not have a Flexischools account you can create one at www.flexischools.com.au or login as a guest. If you do not have internet access, please contact the BTS coordinator through the school office who will make arrangements for your order to be placed.

This is an optional service coordinated by P&C volunteers. Parents are welcome to purchase stationery elsewhere; however you will find our pricing competitive and our service convenient. Importantly – with money raised through this initiative going to the P&C – your purchase will directly support the school.

The closing date for your order is **Sunday 26 November 2017**. Late orders will not be accepted.
