

## Arawang Primary School P&C Association

### 2019 Back to School Stationery Packs

Arawang P&C is offering parents the opportunity to purchase their child's stationery through our *Back to School Stationery* initiative. We provide stationery packs for all year levels. Each pack contains books, specialist writing materials and stationery requested by the school and all materials are developmentally appropriate for their academic year. The packs are updated with a *Sound Waves Student Book*. This is a compulsory text book that will be used throughout the school in 2019. If you choose not to buy our pack, **please note that children in Year 2 are required to have all of the listed items.**

*Back to School Stationery* packs are purchased online through your Flexischools account and will be delivered to your child's classroom on Day 1 of the 2019 school year. If you do not have a Flexischools account you can create one at [www.flexischools.com.au](http://www.flexischools.com.au) or login as a guest. If you do not have internet access, please contact the BTS coordinator through the school office who will make arrangements for your order to be placed.

P&C volunteers coordinate this service, and you will find our pricing competitive and our service convenient. Parents are welcome to purchase stationery elsewhere however, the money raised through this initiative goes to the P&C and your purchase will directly support the school.

The closing date for your order is **Sunday 9 December 2018**. Late orders will not be accepted.
