## Voluntary Contributions 2020

Dear Parents and Carers

As you know, public education is freely accessible to everyone, but unfortunately that does not mean that our tax dollars fund everything that is needed to enhance the learning experience for the children. That is why every year we ask parents and caregivers to consider making a voluntary financial contribution to Arawang Primary School.

Your contributions support the school in many ways where funding allocated by the Education Directorate needs supplementation. Contributions are used to fund curriculum materials in literacy, numeracy, science, sport, technology, Japanese, café and the gardens. These resources then enhance the delivery of our curriculum.

The School Board met November 2019 and has agreed to maintain the contributions at \$80.00 per child for the General School Fund and \$120.00 per child for the tax-deductible Library Trust Fund, although we welcome any contribution you wish to make.

While contributions are voluntary under the *ACT Education Act 2004*, and no student will be disadvantaged by not paying their family contribution, we do appreciate any support you can provide.

The quickest and easiest method for payment is an online payment which can be made via the school's website: [www.arawangps.act.edu.au](http://www.arawangps.act.edu.au).

**Payment Methods**  [Quickweb](#) (via school website)  Cash or Cheque.
